Your Online Guide to Vegetarian Restaurants Around the World

Continue Promoting Your Restaurant Worldwide with the VegDining Card !

We'd like to invite your restaurant to continue participating in our *VegDining Card* program, the first worldwide dining card specifically designed for vegetarian restaurants.

By doing so, your restaurant will continue to gain valuable international exposure with a free Full Listing on our website (regular price \$29 US/yr), as well as being listed in material sent to card holders.

As you know, dozens of other vegetarian restaurants throughout the U.S. are participating – from Arizona to Wisconsin, from California to New York – as well as from other countries including Canada, Mexico, England, Ireland and Australia.

To continue participating, simply mail or FAX (253) 322-7681 your completed form today !
